About Kitikmeot Corporation

As KIA's Development Corporation, KC aims to:

- Establish and nurture strategic relationships with high-calibre business partners
- Invest in companies or projects which are aligned to our mandate and vision
- Build alliances with governments, industry and other Indigenous development corporations
- Champion skills development and career initiatives that result in sustained Inuit employment
- Provide benefits to all Kitikmeot beneficiaries through dividends and wealth accumulation

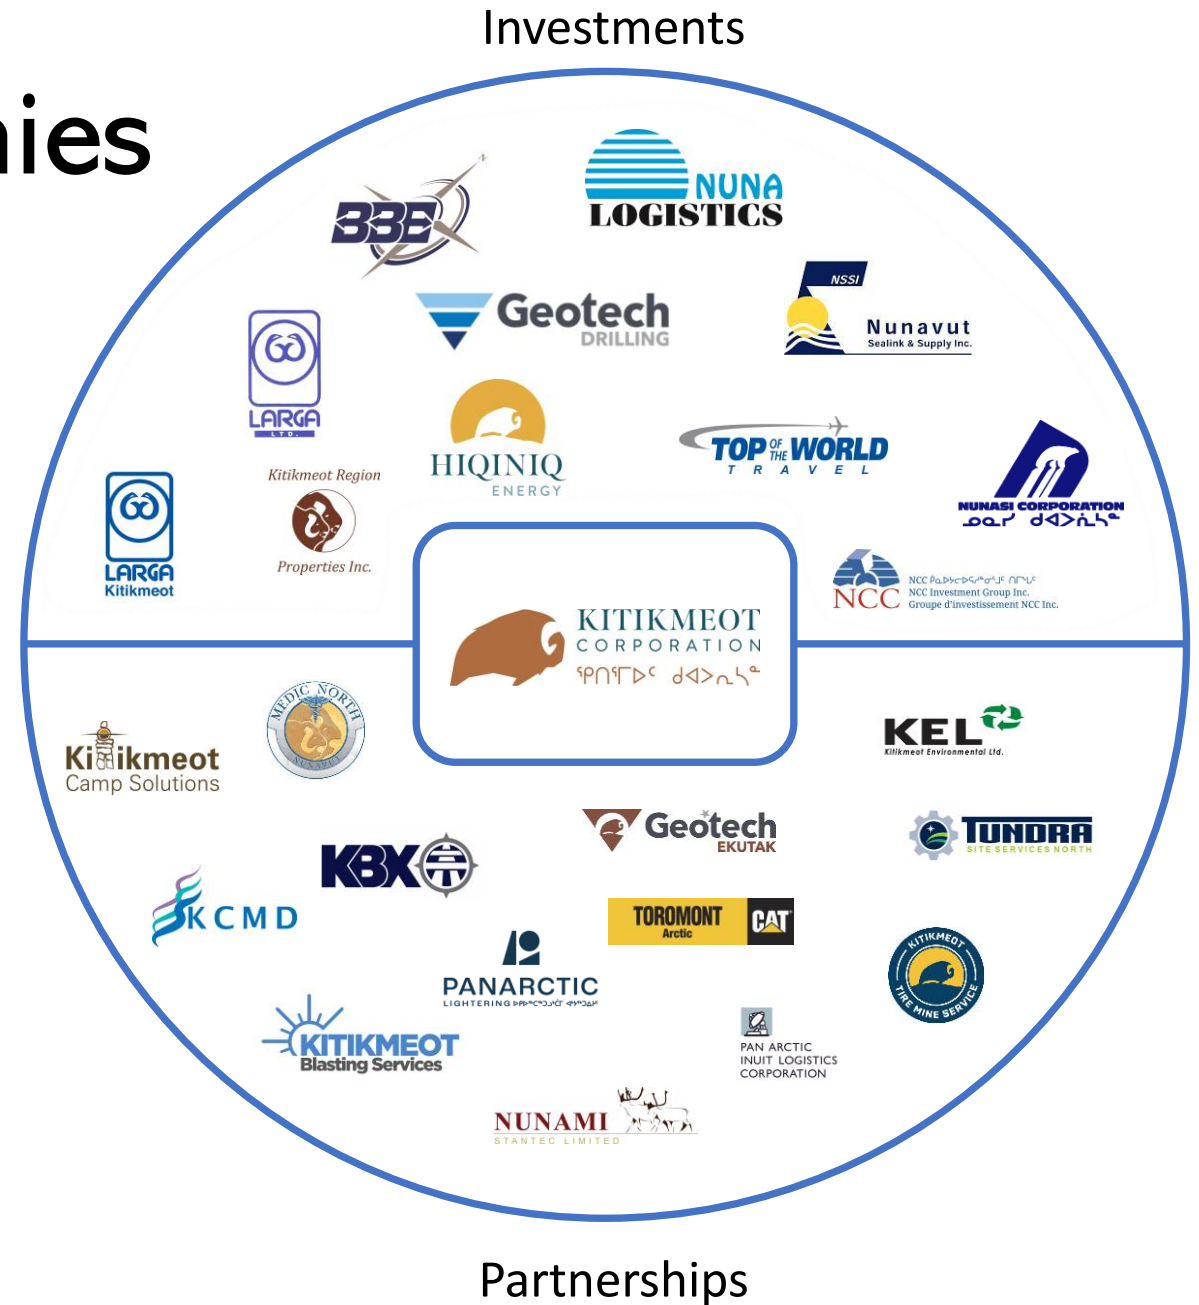

Kitikmeot Region

- A vast area covering the central arctic
- 447,727 km² representing ~4.5% of Canada's total land mass
- Similar in size to Sweden
- Only accessible by aircraft and ship
